

We do more than build buildings.  
We're building *solutions.*

PROFESSIONAL EXPERIENCE

**DEBBIE EBNER,** *CONTROLLER*

Debbie began her Accounting career in 1984 with Jetson TV and Appliance Center, starting out in the Service Department and continuing her 17 year employment with positions in several departments including Accounts Receivable, Accounts Payable, Payroll, Office Manager and Administrative Assistant to the President. In 2002 she left Jetson TV and Appliance Center and went to work in Stuart, Florida for Nora Catano, CPA, where she held the title of Head Bookkeeper until the passing of Nora Catano in 2004. In 2004 Debbie began working for Roosth Construction as their Corporate Controller, where she was able to learn the accounting side of Commercial Construction. She was employed with Roosth Construction until the owner retired

in 2017. In February of 2017 Debbie began working for Richard K. Davis Construction Corporation. Her duties include but are not limited to Payroll, Human Resources, Accounts Payable, Accounts Receivable, Data Entry, Job Cost Reporting, monthly Balance Sheet and Income Statement preparation, yearly Financial Reporting and the updating and year-end closing of our Timberline software. In her spare time, Debbie likes to be behind the camera taking pictures of nature, scenery or people. In 2016 she took that hobby and started a side business called Always In Focus Photography to fill up her spare time while not working in the office. She has photographed numerous weddings and events as well as individual photo shoots for Engagements, Proms, Graduation, Newborns, Children & Family. She also donates her time and photography skills to local schools that specialize in teaching children with special needs.
