

We do more than building buildings.
We're building *solutions.*

HARBOR FEDERAL SAVINGS BANK

FORT PIERCE

Scope and Responsibilities:

Harbor Federal Savings Bank located at Virginia Avenue and U.S. Highway 1, has established its architectural presence utilizing the distinctive blue **Butler® VSR Architectural Standing Seam Roof** as its proprietary specification. Recognizing that a product is only as good as the skill of the installer, Harbor Federal Savings Bank has selected Richard K. Davis Construction Corporation as their proprietary roofing contractor.

Date of completion:
January 2006

Total square footage:
2,806 Building
