

We do more than building buildings.
We're building *solutions.*

JASLO CENTER

PORT ST. LUCIE

Scope and Responsibilities:

For this retail center, Richard K. Davis Construction Corporation **Design/Build Service** brought together a creative design team to develop an attractive retail building utilizing unusual architectural features. The **Butler® Delta Joist/MR-24 Roof System** integrates an economical structural solution with a reliable long-term roof while simultaneously blending with the conventional elements of stuccoed masonry and covered mansard walkways.

Date of completion:
February 2004

Total square footage:
13,100 Building

Contact:

Charles Grunbaum
President, Equity Investment Corporation

"Over the years, the one thing that remains the same is your standard of demanding excellence, no matter how small the task. We look forward to working with you again."
