

We do more than building buildings.
We're building *solutions.*

SEACOAST MINI STORAGE

FORT PIERCE

Scope and Responsibilities:

When John Langel of Seacoast Air Conditioning decided to invest in a self storage project, he selected Richard K. Davis Construction Corporation **Design/Build Service** to construct a facility to suit his property on U.S. Highway 1 overlooking the Indian River Lagoon. Two storage buildings and an attractive entry office conforming to the hillside terrain was built out in four phases.

Date of completion:
2002 (Phase IV)

Total square footage:
47,337 (Phase I-IV) Building

Contact:
John Langel
"I was very pleased with all phases of the construction and will continue to use them for any future projects."

Design Partners:
Linden C. Pettys
Architect
Paul Welch, Inc.
Civil Engineer
